Hi Erik,

I received a phone call from Elizabeth Lunt today. She said she is defense counsel for the above mentioned case and that you had forwarded her the lab notes, etc. I believe she is looking for a copy of the letter that your office had submitted to the lab to have IR testing done for cocaine base for lab #'s [REDACTED]. If possible could you provide her with the info she is requesting? If not please inform her that I spoke with my supervisor and he said that it will not be something that we can do immediately.

Thanks,

Kate Corbett
